

Grade 3 Assignments

Week of 6/1/20

Included in this week's assignments are:

1. Recommended activities for writing, reading, and math. Social Studies topics are now part of our reading and writing activities. This will hopefully help decrease the quantity of work.
2. Materials and resources needed in every subject area each week.
3. At least 2 activities for each subject should be submitted within 7 days (by Monday of the following week) to be marked as completed. *You can send work all in one day or as you go along.*
4. Words that are blue will have a link directly to the resource. Please reach out to your teacher if the link is not working.

Weekly Assignments

Reading Choices

The recommendation is to complete at least 2 reading assignments each week. *Independent reading and 15 minutes of Reading iReady should be done EVERY DAY.*

Topic	Materials	Activity
Reading Comprehension	Readworks Article "Watching the Weather" https://readworks.org Searles Class Code: QWEKBC Embury Class Code: 3PTNPC Password: Sp number	Read the article out loud once and then once to yourself. Answer the questions by taking your time and <u>looking for evidence</u> in the text. Make sure to answer questions using complete sentences.
Reading Comprehension	Readworks Article "Chicken Soup for Nicole" https://readworks.org Searles Class Code: QWEKBC Embury Class Code: 3PTNPC Password: Sp number	Read the story out loud once and then once to yourself. Answer the questions by taking your time and <u>looking for evidence</u> in the text. Make sure to answer questions using complete sentences.
Reading Fluency	A Home For Bats 1 A Home For Bats 2 Teams OR Paper & Pencil	"Newscaster Reading" to practice reading fluently and with expression. First, you'll read the passage once on your own. (Pause the video when it says so!) Second, listen to Mr. Duffy read it. Third, read it along with him 2 times! Fourth, try it all by yourself. Do it with both videos. To prove that you've done this activity, either take a picture of yourself doing it or answer these questions: 1) Name three places where bats live.

		2) How do some bats make tents?
Read Aloud	The Man Who Walked Between Towers by Mordicai Gerstein Teams OR paper & pencil	Listen to the read aloud. This is a TRUE STORY about Philippe Petit who is a tight rope walker! That is a very skinny rope that was stretched between two SUPER tall skyscrapers. 1) How would you describe Philippe Petit? 2) How did you feel while listening to this book? 3) What is one question or thought you had while listening?
Independent Reading	Any book you have! Teams OR paper & pencil	Read ANY BOOK you want! You can read it by yourself, with a sibling, with a grown up, to your pet... whatever you want. Your choice. Write me a summary of what happened in your book or chapter. Who are the characters? What happened at the beginning? In the middle? At the end?

Writing Choices

At least 2 writing assignments should be done each week.

Topic	Materials	Activity
Writing About Reading	Independent Reading book Teams OR paper & pencil	Write a journal entry about a book you've read for IDR this week. Include: -The title and author of your book -2 questions you had while reading -Your best guess how to answer those questions

		This should be written as a paragraph.
Opinion Writing	Teams OR paper & pencil OREO planner: Opinion: I would rather... Reason(s): I would rather this because... (can be more than one reason!) Example(s): For example... (can be more than one example!) Opinion again: That's why...	Would you rather have an elephant-sized cat or a cat-sized elephant? Why? This should be written as a paragraph.
Creative Writing	Teams OR paper & pencil	Write a story about what it would be like to climb to the top of the tallest mountain in the world. Make sure you have a beginning, middle, and end!
Free Write	Teams or paper & pencil	Write about whatever you want – work on a story, write your own opinion piece, write about your independent reading book. Be creative!

Math Choices

You should try to do *all* of these activities. To prove that you've done it, I will be looking for the **Comprehension Check** on iReady at the end of the week!

Topic	Materials	Activity
Fact Fluency	https://xtramath.org Log in through Clever (regular username and password) OR homemade flashcards	Should be done EVERY DAY to get the most out of this! Practice your multiplication facts. When it logs you out on its own, that's when you know you're done.

		You can also make your own flashcards and practice that way too!
Day 1: Explore the Meaning of Division	Video Paper & pencil Tens blocks (here are some online) <i>Teacher-Assigned</i> Lessons on iReady (on the left)	Watch the video. Pause when the video tells you to and try to solve the problem yourself on paper or using the tens blocks! Exit ticket: How is finding the NUMBER OF groups in a division problem the same as finding the NUMBER IN each group? Send your answer to your teacher! Start the lesson <u>Understand Division, Part 1</u> on iReady.
Day 2: Understanding of Division Models	Video Paper & pencil Tens blocks (here are some online) <i>Teacher-Assigned</i> Lessons on iReady (on the left)	Watch the video. Pause when the video tells you to and try to solve the problem yourself on paper or using the tens blocks! Exit ticket: Solve $42 \div 7$. Draw a model and explain what each number represents. Send your answer to your teacher! Work on the lesson <u>Understand Division, Part 2</u> on iReady.
Day 3: Ideas About the Meaning of Division	Video Paper & pencil Tens blocks (here are some online) <i>Teacher-Assigned</i> Lessons on iReady (on the left)	Watch the video. Pause when the video tells you to and try to solve the problem yourself on paper or using the tens blocks! Exit ticket: Draw two different ways to show $45 \div 9$. What does the 9 represent in each model? Send your answer to your teacher! Work on the lesson <u>Practice: Understand Division</u> on iReady. Then take the Comprehension Check on iReady! (on the left)
Extra Practice	Worksheet	Complete the worksheet for extra practice with division.
